Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

OBJECTIVES:

- To improve the financial literacy skills and financial management and functional competences of disadvantaged (Roma, low skilled etc.) and students with disabilities
- To improve the self-esteem, self-confidence, motivation and believes of the above students groups
- To improve the results of the school intervention to prevent potential labour market dropouts
- To improve the knowledge, skills and competences of teachers to guide and support the financial literacy training realisation at schools.

EXPECTED RESULTS:

R1: Handbook and educative videos for disabled and disadvantaged students in terms of financial literacy

R2: Guidance toolkit for teachers on financial literacy curriculum

R3: Online portal for digital learning

R4: Validation worksheets on proper own financial management

R5: Blended training of 50 teachers in BG, ES & TR

R6: Blended training of 50 students with disabilities & 100 disadvantaged students in BG, ES & TR

R7: Wider dissemination and exploitation

R8: National multiplier events
